

**EPIS** is a student-led platform dedicated to **foreign** and **security policy**. Our **600+ fellows** from all over Europe and beyond **connect** academic research with **real-world** policy debates. Through publications, events, and expert exchange, we **empower** the next generation of policy thinkers.

Our Organisation has got four key branches:

## Network

- Our **Network** serves as a platform for **exchange** among all our fellows
- Access to a monthly **newsletter**, EPIS **delegations** to conferences, and **career development** support

## EPIS Consult

- Our lobbying and political consulting agency; specialises in diplomatic and economic policy

### For Companies:

- tailored strategic advice, policy analysis & stakeholder engagement
- Efficiency Certification

### For Students:

- Job Coaching
- Career Seminars

— Network, Thinktank & Consultancy —  
on Policy & Business Affairs

## Think Tank Foreign Affairs & Security Policy

- Our **research** and **publication** arm
- Produces fact-based analyses, reports, and policy insights
- Work is published through **Working Groups**, **Reports**, and our **Magazine**, catering to different levels of depth
- Connects research with ongoing debates through exchange with experts and practitioners

## Engage with us!

Consult

## This is EPIS

We are a student-led thinktank on **foreign** and **security policy**. We aim to strengthen **European security** through dialogue and engagement. **Our mission:**

- Redefining defence as a force for **stability** and **peace**
- Security is a **shared** responsibility
- Dialogue creates **legitimacy**
